Note for competition classes: One gymnast may be younger or older.

Music

A link will be send to the mail adress stored in GymNet. Please upload the music until **February 28th 2027.**

Even if you are using the upload process, please bring a USB flash drive labeled with your team name as a backup, containing only your team's music. Other storage media are not permitted.

Equipment information

Equipment that complies with the regulations can be brought along. Other equipment must be registered/ requetested in advance to head of competition!

Tariff forms

On Competition day each team has to providee **8** copies of tariff forms for **floor**, **6** copies each for **Trampet** and **Tumbling**. The Tariff Forms must be devliered **BEFORE** warm-up! The required number of sheets will be sent again with the timetable!

Important Notes

For each competition from 2025 onwards, it's necessary to register one

volunteer per club (except clubs from abroad)! The volunteer must be registered by the respective club by e-mail to katharina.warter@btv-turnen.de by the registration deadline! Volunteers will be used to operate the music, to make announcements (not welcome and award ceremony), to distribute team signs, start pass control, etc. If a club does not report a volunteer, a penalty of 200 € is to be paid. If there are too few volunteers by the registration deadline, the competition is cancelled!

Any changes regarding registrations (Judges, Participants, volunteers) have to be reported to head of competition.

Competitions will only be held if at least three participants are registered for each advertised competition or age group. If fewer than three entries have been received by the registration deadline, the competition will, if possible, be combined with the next higher competition or age group and scored together. Otherwise, the competition will be canceled. Participants registered for the competition will be informed of the procedure immediately after the registration deadline.

Judges

Each club will provide at least two judges for the entire competition day, at least one of them with a valid license (at least C-license). If the required judges are not provided, participation is excluded.
The registered judges will be used for the **entire duration** of the competition.
If a club does not start due to cancellations after the deadline, the obligation to provide the required judges remains.

With the notification, the association agrees that in case of non-appearance of a required judge without a replacement 250.00 € (per missing judge) must be paid to the BTV.

Please bring an internet enabled device!

The judges' schedules will be published on the area page before the competition and will be sent to the registered judges. Subsequent changes to the schedule are not possible.

Please fill in **all** additional information in registration excel list.

Liability

The organizier and host assume no liability!

Data protection

We would like to point out that this competition is a public event. The BTV reserves the right to make and distribute pictures and sound recordings of participants and guests as well as lists of results for public relations purposes, unless participants and guests object in individual cases. The legal basis for this is Art. 6, Para. 1 Lit. f. DSGVO. The legitimate interest of BTV is to hold events in accordance with its statutory objectives and to provide information about the content of the events as part of its public relations work.
A description of the rights as a data subject applies analogously to the data protection declaration at https://btv-turnen.de/der-btv/ueber-uns/datenschutz.
The referee management can also create videos of participants for training purposes of the referees.
The reporting club has to inform its participants or their legal guardians about.

Protection from violence

The BTV considers the protection of children, adolescents, and adults to be a matter of great importance. Accordingly, in the day-to-day operations of gymnastics and sports clubs, as well as during such events, sports programs are organized responsibly while simultaneously supporting personal development.

The goal is to create a culture of awareness and vigilance. Therefore, as part of this event, the BTV commits to implementing specific measures to protect all participants accordingly: processing registrations and, in doing so, confirming with the club that the signed code of conduct is in place, as well as providing an online video to raise awareness among club members.
